CUTLINE FOR PHOTO OF WOMAN SPEAKING TO CLASS -- 19

STRESSING A POINT--Catherine Villemin, a graduate student from Paris, France, demonstrates a tricky French pronunciation to her University of Montana students. Villemin, an exchange student from the Sorbonne University, has been teaching beginning French language and literature courses at UM since September while researching her English master's thesis. UM also sends an American graduate student to teach in France each year. (UM photo by Cary Holmquist)
